

## ACTIVITY 11.3: SELF-ASSESSMENT OF POLITICAL THINKING CONCEPTS

Complete the following self-assessment chart after conducting your research and presentation about the selected election issue.

Criteria	Yes/No	Evidence or Next Steps
I can identify the intended rationale(s) or motive(s) for political responses to civic issues		
I can explain how political events or developments can be caused by multiple factors		
I can assess the intended or unintended effect(s) or outcome(s) of a decision		
I can evaluate the consequences of a political decision on various groups in society		
Do I have any questions?
